WELCOME! FROM THE OFFICE OF DEAN CANTÚ

Greetings to all of our returning students. Welcome home! I hope you had an enjoyable summer break wherever you may have gone and are now rested and prepared to resume your studies. During the year, Dean Mather and I look forward to meeting with all of you on a regular basis. She will soon issue an invitation designating a time and place where you can join the two of us and discuss whatever issues come to mind.

A special welcome to all of our entering first year students. Last Thursday at your orientation, you received some very encouraging advice from Dr. Charles Cotrell, President of St. Mary's University and from Clem Lyons, President of our Law Alumni Association. I hope you took it to heart. All of you should also plan on taking advantage of all of the resources available to you at St. Mary's. This would certainly include, but not be limited to, joining Dean Mather and myself as mentioned above, as well as visiting the offices of our Campus Ministry, which is led by our very own Sr. Grace Walle. You will find that she will always have a solution for whatever ails you. We wish you good luck as you pursue your new chosen profession and hope you are successful, not only in your studies, but in making new life-long friends. We are glad you have come to St. Mary's. Welcome!

WEBCASTING OF TEXAS SUPREME COURT ORAL ARGUMENTS

St. Mary's Law School hosts the **live webcasting** of the **Texas Supreme Court's oral arguments**. Under an agreement with the Texas Office of Court Administration, the Law School supplies the technological support and personnel for the project. This is a wonderful and unique opportunity for the public at large and our law school community to **see and hear the arguments live — over the internet**. We are one of only a handful of law schools in the nation that provide this unique access to live webcasting of oral arguments.

You can access the arguments from a link on the home page of the law school's website and from the Advocacy Programs pages on the law school's website. From those same links you can access archived oral arguments that have been broadcast since Spring 2007. When you access the page for the webcasting (hosted by Mediasite) you can also access links to the briefs filed in the case and the lower courts' opinions (pdf).

The next set of **oral arguments** will be held on **September 9, 10, and 11, starting at 9:00 a.m.** Each side has 20 minutes for oral argument. Please take advantage of this unique educational opportunity.

If you have any questions about the webcasting of the arguments, please contact **Professor Schlueter**.

The above summaries for the arguments for September, starting on September 9th, were prepared by the Court's staff attorney for public information and reflect his judgment alone on facts and legal issues and in no way represent the Court's opinion about case merits.

STUDENT ORGANIZATION GUIDELINES

The below guidelines are offered for student organization funding.

I. Organization Funding

- A. In order to receive funds from the law school a student organization must:
 - i. Be officially approved by the law faculty;

- ii. Have submitted to the SBA a current list of officers and have contact information; and
- iii. Comply with the rules on fundraising, publicity, and use of facilities stated below.

All funding requests shall be submitted in writing to the Student Bar Association with the appropriate form.

- B. **Initial Activity Grants.** Each semester, each officially approved student organization is entitled to receive an initial activity grant of \$150 to support an event on campus, open to the law school community that contributes to the intellectual life of the law school, such as speakers, panels and the like. The money may be used for refreshments to help draw a crowd or for other costs of the event. A closed meeting of organization membership or party does not qualify for a grant. Two or more organizations may pool their funds to sponsor an event, although amounts spent on food for an event ordinarily may not exceed \$150. An organization that uses less than \$150 of an initial activity grant may use the balance of the grant for similar purposes later in the semester. No entitlements are carried over from semester to semester or year to year. For all purposes of these guidelines, “contributing to the intellectual life of the law school” shall be construed broadly.
- C. **Additional Activity Grants.** Each semester a limited number of additional discretionary activity grants in the amount of \$150, for the purpose of supporting activities open to the law school community that contribute to the intellectual life of the law school, may be made to organizations that have already used their initial grants to support successful events. The merits of such applicants will be judged not on the subject matter of the proposal, but on the basis of whether the event is well planned and not duplicative of other recent events.
- D. **Public Service Grants.** Each semester, 15 grants in the amount of \$150 will be available to support public service projects of student organizations. In an appropriate case, two or more organizations may receive grants to work on the same project.
- E. **Extraordinary Grants.** Limited funds may be available each semester to support extraordinarily meritorious student organization activities, including religious activities, that deserve financial support beyond that available through activity grants. Banquets will not be funded. However, organizations may hold banquets for their members, funded by membership dues, ticket sales, and fundraising.

II. Fundraising by Organizations

- A. No student organization shall raise money contributions from any person or entity

to support student organizations activities without prior written approval of the law school Associate Dean Al Hartman. This rule does not apply to in-kind contributions, such as donations of merchandise and gift certificates, or sales where the buyer receives fair market value or donates the ticket or tickets back to the organization. Sponsorships require approval.

- B. A form for requesting approval of fundraising is available from the Development office requiring the organization to identify with reasonable precision the nature of the fundraising activity, its magnitude, and the individuals, business, or firms who will be solicited. Following submission, a form will ordinarily be acted upon within one week. The approval process shall be conducted in a way that encourages continued philanthropic support (e.g. law firm sponsorship awards) established in past years.

POSTING NOTICES BY STUDENT ORGANIZATIONS

A student organization may publicize an event or deadline through announcements:

- i. In the *Witan* (provide copy to Ms. Bebe Gonzales (bgonzales@stmarytx.edu) by noon Thursday);
- ii. On its organization bulletin board;
- iii. On the posting walls in the east and west foyers of the law classroom building and in the west foyer of the law faculty building, provided the notice:
 - (1) not greater than 11” by 17” (legal size) and
 - (2) not posted more than ten days before an event;

Except as provided above, do not tape, staple, pin, or otherwise display any notice on walls or furniture of any building at the Law Center (including classroom entry doors). Announcements posted in violation of this rule will be removed.

TOBACCO PRODUCTS

Smoking is **prohibited** in all law school buildings. Please refrain from the use of all tobacco products in the library and in the classrooms. Chewing tobacco, in particular, can stain furniture and carpets and the waste disposal process is distracting to others.

CHRISTIAN LEGAL SOCIETY

“Come to me, all who labor and are heavy laden, and I will give you rest. Take my yoke upon you, and learn from me, for I am gentle and lowly in heart, and you will find rest for your souls. For my yoke is easy, and my burden is light.” Matthew 11:28-30. Isn't it a mystery why we see Jesus entice “all who labor and are heavy laden” by a promise to give them “rest.” Clearly, it is these very people who, we would agree, need “rest” the most. What makes me tap my brakes is Jesus' description of “rest.” His definition doesn't seem to intimate a load off one's shoulders and a foot-rub, but rather the taking up of a new yolk (His) coalesced with a new call to “learn from” Him. To sweeten His offer, Jesus promises that in being led by Him, we will find rest not for our physical bodies, but for our souls. Realizing the subtext, Jesus Christ appears to be saying that for all those not being guided solely (yoke and all) by Him, the most they can ever hope to find for their already “heavy laden” souls is more unrest. Such a promise is so presumptuous and so bold, only God could back it up. CHRISTIAN LEGAL SOCIETY

“Come to me, all who labor and are heavy laden, and I will give you rest. Take my yoke upon you, and learn from me, for I am gentle and lowly in heart, and you will find rest for your souls. For my yoke is easy, and my burden is light.” Matthew 11:28-30. Isn't it a mystery why we see Jesus entice “all who labor and are heavy laden” by a promise to give them “rest.” Clearly, it is these very people who, we would agree, need “rest” the most. What makes me tap my brakes is Jesus' description of “rest.” His definition doesn't seem to intimate a load off one's shoulders and a foot-rub, but rather the taking up of a new yolk (His) coalesced with a new call to “learn from” Him. To sweeten His offer, Jesus promises that in being led by Him, we will find rest not for our physical bodies, but for our souls. Realizing the subtext, Jesus Christ appears to be saying that for all those not being guided solely (yoke and all) by Him, the most they can ever hope to find for their already “heavy laden” souls is more unrest. Such a promise is so presumptuous and so bold, only God could back it up. Join us for men's or women's bible study. **Selah - Fridays at 7:00 p.m.** Contact Brenna at selah.biblestudy@gmail.com **Men's bible study, Wednesday's at 7:00 p.m.** Contact Josh at jsc427@sbcglobal.net.

CHRISTIAN LEGAL SOCIETY

In the Bible, Jesus Christ refers to Himself as the “**light**” that came to the world to shine in the **darkness**, so that whoever believes in Him may not “**remain in darkness**” (John 1:4-9; John 12:46). It's either Christ or darkness? For this metaphor to gain any traction (and we will assume Jesus wants it to), you must rule out the possibility of light (or truth) existing outside of Christ. **But beware**; such a concession is so patently divisive, provocative, and contrary to postmodern thought that by making it you may find yourself at odds with many. However, you will be without a doubt in good company, namely, Jesus Christ himself. (John 14:6). Join us for men's or women's bible study. **Selah - Fridays at 7:00 p.m.** Contact Brenna at selah.biblestudy@gmail.com **Men's bible study, Wednesday's at 7:00 p.m.** Contact Josh at jsc427@sbcglobal.net.

CHRISTIAN LEGAL SOCIETY

In the Bible, Jesus Christ refers to Himself as the “**light**” that came to the world to shine in the **darkness**, so that whoever believes in Him may not “**remain in darkness**” (John 1:4-9; John 12:46). It’s either Christ or darkness? For this metaphor to gain any traction (and we will assume Jesus wants it to), you must rule out the possibility of light (or truth) existing outside of Christ. **But beware**; such a concession is so patently divisive, provocative, and contrary to postmodern thought that by making it you may find yourself at odds with many. However, you will be without a doubt in good company, namely, Jesus Christ himself. (John 14:6). Join us for men’s or women’s bible study. **Selah - Fridays at 7:00 p.m.** Contact Brenna at selah.biblestudy@gmail.com **Men’s bible study, Wednesday’s at 7:00 p.m.** Contact Josh at jsc427@sbcglobal.net.

CONGRATULATIONS TO OUR MOCK TRIAL TEAM

From November 12 to 16th, one of our mock trial teams, **Thom Nisbet, Jason Goss, Anna Brunkenhoefer, Melissa Gunnels**, and alternates **Aissa Garza and Jeff Finley**, placed third overall at the **National Civil Trial Competition** held at **Loyola School of Law in Los Angeles, California**.

This national tournament is an **invitation-only** competition and is considered to be one of the most **prestigious advocacy competitions** in the United States. The St. Mary's team, competing for the first time in this tournament, bested all schools from Texas and other

institutions ranked in the U.S. News and World Report "Top 10" advocacy programs in the nation. One criterion of admission into this tournament is prior admission into the annual **National Tournament of Champions** (sponsored by NITA) and a school's record in the National Trial Competition (NTC). (St. Mary's received the invitation for this year's competition after competing against Loyola School of Law-Los Angeles, last Spring in the NTC. That school's coach/tournament director was impressed with our team's ability and professionalism). **St. Mary's was the only school present that had not previously been ranked in the Top 10** in the nation in U.S. News and World Report or that had not competed in the Tournament of Champions.

Our team lost to Loyola of Chicago in the semi-final round — the school that eventually took the championship in the final round.

After the announcement of St. Mary's accomplishment at an **awards banquet** held by the host school on Saturday evening, the **St. Mary's team received a standing ovation** recognizing this tremendous feat for a team competing in the competition for the first time. Advocate **Thom Nisbet** received additional accolades by being named 1st runner up as "**Best Overall Advocate.**"

The team was coached by **Bill Squires** and **Cliff Herberg** with the assistance of Advocacy Fellow **Allison Skipper**.

Please congratulate the coaches and team members, and all of the others who contributed to making this great showing on the national stage. They have made us proud!

CONGRATULATIONS
Fall 2008 Negotiations Competition Winners
Sponsored by Ceasefire

The **Board of Advocates** would like to congratulate the Fall 2008 **Negotiations Competition** winning teams. The winners are **Adam Braaten** and **Bonnie Kirkland**. The runner-up team was **Blair Gates** and **Andria Aguayo**. Please join us in congratulating them. Thank you also to all the competitors for their continued support of advocacy at St. Mary's.

WEBCASTING OF TEXAS SUPREME COURT ORAL ARGUMENTS

St. Mary's Law School hosts the **live webcasting** of the **Texas Supreme Court's** oral arguments. Under an agreement with the Texas Office of Court Administration, the University

supplies the technological support and personnel for the project. This is a wonderful opportunity for the public at large and our law school community to **see and hear the arguments live**, over the internet. We are one of only a handful of law schools in the nation that provide this unique access to live webcasting of oral arguments.

You can **access the arguments** from a link on the home page of the law school's website and from the Advocacy Programs pages on the law school's website. From those same links you can **access archived oral arguments** that have been broadcast since Spring 2007. When you access the page for the webcasting (hosted by Mediasite) you can also access links to the briefs filed in the case (pdf).

The **most recent** of oral arguments were held on November 12 and 13. The following summarizes those cases. If you have any questions about the webcasting of the arguments, please contact Professor Schlueter.

State of Texas v. George Lueck

The issues in this Whistleblower Act case are (1) whether Lueck, a Texas Transportation Department employee fired for questioning an outside vendor's contract termination, properly stated a claim under the act to confer jurisdiction on the trial court and (2) whether, if so, he properly reported violation of a state or federal law to an appropriate law-enforcement authority.

In re James Allen Hall

The principal issue is whether an adult held over from juvenile-delinquency confinement on a 40-year determinate sentence has a right to an attorney for a habeas corpus action.

In Re Lester Collins, M.D.

The principal issues in the medical-malpractice case are (1) whether the trial court abused its discretion by prohibiting ex parte communication with non-party physicians and health-care providers who treated the plaintiff and listed by her on the statutory schedule for disclosure and release; (2) whether Civil Practices and Remedies Code section 74.052 prohibits ex parte communications with the med-mal plaintiff's physicians and health-care providers; and (3) whether federal law (HIPAA) prohibits ex parte communications and preempts section 74.052.

In re Department of Family & Protective Services

The issues in this parental-rights termination case are (1) whether the trial court's new-trial order after the statutory dismissal deadline vacated a termination order rendered before the deadline passed; (2) whether an objection based on the trial court's failure to dismiss was waived because it came after the new-trial order; (3) whether mandamus relief is appropriate when the state can pursue an accelerated appeal; and (4) whether Family Code section 263.401(b) restrictions are jurisdictional.

Mann Frankfort Stein & Lipp Advisors Inc, et al. v. Brendan J. Fielding

Principal issues arising from this declaratory-judgment action are (1) whether a provision requiring an accountant to purchase clients if he left the firm was ancillary to his employment

agreement and an enforceable covenant not to compete; (2) whether the Covenants Not to Compete Act preempts the plaintiff's attorneys fees claim; and (3) whether the client-purchase provisions are severable.

Walter E. Harrell v. State of Texas

The principal issues are (1) whether the state is required to follow garnishment procedures to take money from a prisoner's inmate trust account to pay for his court-appointed attorney and court fees and (2) whether the court of appeals had jurisdiction to hear Harrell's appeal.

Lauri Smith and Howard Smith v. Patrick W.Y. Tam Trust

The principal issue is whether \$47,000 in attorneys fees are reasonable when the judgment obtained was for \$65,000, less than a third of what was sought.

UNITED STATES JUDICIAL CONFERENCE'S STANDING COMMITTEE MEETING

On **January 12-13, 2009**, St. Mary's University School of Law will host a meeting of the **United States Judicial Conference's Committee on Rules of Practice and Procedure**, commonly called the "Standing Committee." This Committee is charged with reviewing and amending the various Rules of Procedure used in the Federal Courts: Appellate, Bankruptcy, Civil, Criminal, and Evidence. The Committee reviews and coordinates the recommendations from the five advisory committees for those various rules and in turn recommends proposed rules changes to the Judicial Conference, chaired by the Chief Justice of the Supreme Court of the United States. The **Supreme Court** reviews any proposed rules changes and forwards them to Congress, which can reject or accept them.

The Standing Committee and five advisory committees are composed of federal judges, law professors, state Supreme Court chief justices, practitioners, and representatives of the Department of Justice. In addition, each committee has a "reporter"—a law professor—who coordinates the committees' agendas and drafts proposed amendments and accompanying committee notes. **Judge Lee H. Rosenthal**, a federal district judge from Houston, is the current chair of the Committee. The current reporter is **Professor Dan Coquillete**, former Dean of Boston College of Law, and currently a member of the faculties of Harvard School of Law and Boston College School of Law.

The meeting, which is **open to the public**, will be held in the **Alumni Room of the Sarita Kenedy East Law Library** on the law school's campus. **Professor Dave Schlueter**, who served as the Reporter for the Federal Rules of Criminal Procedure Advisory Committee for 17 years, stated that the law students and legal community will have a unique opportunity to

witness first hand the process for considering amendments to the various federal rules. Normally, the Committee meets twice a year: once in Washington, D.C. and once at another location. Schlueter also stated that the school is very grateful for the assistance of **Judge Pat Higginbotham**, a judge on the United States Court of Appeals for the Fifth Circuit and a visiting professor of law at the Law School, who helped arrange for the Committee to meet at our law school.

INTERNSHIP POSITIONS

As part of a new internship program, developed in conjunction with St. Mary's University School of Law, the **Bexar County Appellate Public Defender's Office** is looking for interns for the Spring and Summer semesters. There will be internship positions available each semester.

The Bexar County Appellate Public Defender's Office started work in August 2005 and is funded through the Texas Taskforce on Indigent Defense. Its mission is to provide zealous

representation for indigent appellants convicted of criminal acts by ensuring them consistent, accountable, highly qualified professional representation throughout the appellate process.

The office is staffed by four attorneys, all of whom carry a full caseload, and an office assistant. The assigned cases include death penalty and non-capital life sentence cases. It is hoped to expand the activities of the office to include appellate cases from surrounding counties, creating a regional office. Our long term goals include utilizing members of the bar in pro bono capacities and providing mentoring and supervision for those attorneys who wish to help but do not have appellate experience.

Applications are being accepted for internship positions from second and third year law students with a genuine interest in representing indigent defendants on appeal. Interns will be given a number of different assignments which may include reviewing records, legal research and writing, and opportunities for client contact and to attend oral argument at the Fourth Court of Appeals and the Court of Criminal Appeals. We are a small, friendly and informal office, and make every effort to ensure that our interns have a varied and interesting experience, in return for which we expect a high level of professionalism. A **minimum commitment of 15-20 hours per week** will be required. Whenever possible we will assign at least one piece of work which can be used as a future writing sample. We welcome applicants of any race, religion, color, age, sex, national origin, ancestry, political belief or disability. All candidates will be required to attend a short interview at our office.

If you are interested please send a cover letter, your resume and a writing sample to:

FEBRUARY CAREER SERVICES EVENTS

Please drop by the **Legal Employer Information Fair, Wednesday, February 4** from **11:00 a.m. -1:00 p.m.** in the **Law Classroom Building Lobby** (on the soccer field side). Representatives from different areas of the law, such as Big Firm, Corporate, Federal Government, Military, Solo Practitioner, Public Interest, State Government, the District Attorney, Small/Medium Firm, and Judicial will be available to answer questions in a no-pressure format. It's an excellent way for all students, especially 1L and Evening students, to find out about the different areas of law. Surely you will be able to find time to cruise by, meet some lawyers, get questions answered and, of course, be eligible to win prizes. This will be a drop-in affair so you do not need to be present the entire time and you do not need to dress up or bring your resume. But you never know what might happen...one student got offered a job on the spot during the Fair!

A representative from the **Department of Justice** wants all students to attend a power point presentation, “**Do Your Legal Career Justice**” on **Monday, February 9**, from **noon-1:00 p.m.** in the **Alumni Room**, Law Library. You will learn about the opportunities available with the Department of Justice, the advantages of working for the government and the way to apply. Come learn about job possibilities and network, too.

FALL ON-CAMPUS INTERVIEWING – NEW EARLIER DATES!
ALL CURRENT STUDENTS PLEASE PAY ATTENTION TO THIS INFORMATION
(EVEN YOU CURRENT 3L’S AS THERE WILL BE OPPORTUNITIES FOR RECENT GRADS)

The **earlier dates for Fall 2009 On-Campus Interviewing (OCI)** are being driven by employers who want earlier consideration of students. Four other Texas schools will have already started their OCI the previous week. So...if you are going to **remain competitive**, particularly in this tight economy, you will have to jump in early. Together, we can make this work! All students: **Mark your calendars** with the dates for Fall On-Campus Interviewing:

* **July 1:** participating employers should be set.

* Starting **July 1** you may submit your materials to the box outside of Career Services or you may email them to Alicia Mendoza, amendoza@stmarytx.edu and she will email you an acknowledgement of receipt and ask for you to complete and return an attached Resume Transmittal form (RTF). Once she has received the completed RTF, she will submit your documents for you. Make sure you send to her EVERYTHING each employer is requesting.

* **August 10** is the firm deadline to submit via email. If you do not get an acknowledgement on or by that date then you may contact the Career Services Office at 210.436.3511. You may need to submit hard copies.

* **Noon, August 12** is the firm deadline to submit hard copies if you did not submit them by email. You may mail hard copies to us and we will put the items in the bins for you but we must have RECEIVED them by August 11 in order to make this August 12th deadline.

* School will start on **August 24**.

* On-Campus Interviewing will occur **August 25-September 11**.

1L/2L/3L EVENING SPECIAL PROGRAMMING

Please know that because the dates of **Fall On-Campus Interviewing (OCI)** have been moved earlier in the year, the Office of Career Services will be putting on special resume writing workshops and sessions on how to participate in OCI during the Spring and Summer. It is critical that you, regardless of where you rank in your class, attend these so you don't miss deadlines and you know how to participate. **Interviews will start** the second day after your return to school in the Fall. You need to be ready to go, so please invest some time this Spring to insure that you have a great time in the Fall interviewing. Due to the **submission deadline occurring during the Summer**, you may want to attend one of the upcoming Everything You Want To Know About On-Campus Interviewing sessions, even if you have attended one in the past. Submission options will vary from the past this year.

And remember, **OCI is not just for the top students**. Last Fall, 64% of the OCI employers asked for no rank or a rank of Top 30% or Top 50%. Did you know that 92% of all the 142 students (who had ranks ranging from the Top 1% to the Top 93%) who submitted resumes for OCI were granted at least 1 interview? Yes, even the person in the Top 93% got an interview. So don't count yourself out of this opportunity to conveniently interview with employers.

INTERNSHIP POSITIONS

As part of a new internship program, developed in conjunction with St. Mary's University School of Law, the **Bexar County Appellate Public Defender's Office** is looking for interns for the Spring and Summer semesters. There will be internship positions available each semester.

The Bexar County Appellate Public Defender's Office started work in August 2005 and is funded through the Texas Taskforce on Indigent Defense. Its mission is to provide zealous representation for indigent appellants convicted of criminal acts by ensuring them consistent, accountable, highly qualified professional representation throughout the appellate process.

The office is staffed by four attorneys, all of whom carry a full caseload, and an office assistant. The assigned cases include death penalty and non-capital life sentence cases. It is hoped to expand the activities of the office to include appellate cases from surrounding counties, creating a regional office. Our long term goals include utilizing members of the bar in pro bono capacities and providing mentoring and supervision for those attorneys who wish to help but do not have appellate experience.

Applications are being accepted for internship positions from second and third year law students with a genuine interest in representing indigent defendants on appeal. Interns will be given a number of different assignments which may include reviewing records, legal research and writing, and opportunities for client contact and to attend oral argument at the Fourth Court of Appeals and the Court of Criminal Appeals. We are a small, friendly and informal office, and make every effort to ensure that our interns have a varied and interesting experience, in return for which we expect a high level of professionalism. A **minimum commitment of 15-20 hours per week** will be required. Whenever possible we will assign at least one piece of work which can be used as a future writing sample. We welcome applicants of any race, religion, color, age, sex, national origin, ancestry, political belief or disability. All candidates will be required to attend a short interview at our office.

**FALL ON-CAMPUS INTERVIEWING – NEW EARLIER DATES!
ALL CURRENT STUDENTS PLEASE PAY ATTENTION TO THIS
INFORMATION**

(EVEN YOU CURRENT 3L'S AS THERE WILL BE OPPORTUNITIES FOR RECENT
GRADS)

The **earlier dates for Fall 2009 On-Campus Interviewing (OCI)** are being driven by employers who want earlier consideration of students. Four other Texas schools will have already started their OCI the previous week. So...if you are going to **remain competitive**, particularly in this tight economy, you will have to jump in early. Together, we can make this work! All students: **Mark your calendars** with the dates for Fall On-Campus Interviewing:

* **July 1:** participating employers should be set.

* Starting **July 1** you may submit your materials to the box outside of Career Services or you may email them to Alicia Mendoza, amendoza1@stmarytx.edu and she will email you an acknowledgment of receipt and ask for you to complete and return an attached Resume Transmittal form (RTF). Once she has received the completed RTF, she will submit your documents for you. Make sure you send to her EVERYTHING each employer is requesting.

* **August 10** is the firm deadline to submit via email. If you do not get an acknowledgment on or by that date then you may contact the Career Services Office at 210.436.3511. You may need to submit hard copies.

* **Noon, August 12** is the firm deadline to submit hard copies if you did not submit them by email. You may mail hard copies to us and we will put the items in the bins for you but we must have RECEIVED them by August 11 in order to make this August 12th deadline.

* School will start on **August 24**.

* On-Campus Interviewing will occur **August 25-September 11**

1L/2L/3L EVENING SPECIAL PROGRAMMING

Please know that because the dates of **Fall On-Campus Interviewing (OCI)** have been moved earlier in the year, the Office of Career Services will be putting on special resume writing workshops and sessions on how to participate in OCI during the Spring and Summer. It is critical that you, regardless of where you rank in your class, attend these so you don't miss deadlines and you know how to participate. **Interviews will start** the second day after your return to school in the Fall. You need to be ready to go, so please invest some time this Spring to insure that you have a great time in the Fall interviewing. Due to the **submission deadline occurring during the Summer**, you may want to attend one of the upcoming Everything You Want To Know About On-Campus Interviewing sessions, even if you have attended one in the past. Submission options will vary from the past this year.

And remember, **OCI is not just for the top students**. Last Fall, 64% of the OCI employers asked for no rank or a rank of Top 30% or Top 50%. Did you know that 92% of all the 142 students (who had ranks ranging from the Top 1% to the Top 93%) who submitted resumes for OCI were granted at least 1 interview? Yes, even the person in the Top 93% got an interview. So don't count yourself out of this opportunity to conveniently interview with employers.

INTERNSHIP POSITIONS

As part of a new internship program, developed in conjunction with St. Mary's University School of Law, the **Bexar County Appellate Public Defender's Office** is looking for interns for the Spring and Summer semesters. There will be internship positions available each semester.

The Bexar County Appellate Public Defender's Office started work in August 2005 and is funded through the Texas Taskforce on Indigent Defense. Its mission is to provide zealous representation for indigent appellants convicted of criminal acts by ensuring them consistent, accountable, highly qualified professional representation throughout the appellate process.

The office is staffed by four attorneys, all of whom carry a full caseload, and an office assistant. The assigned cases include death penalty and non-capital life sentence cases. It is hoped to expand the activities of the office to include appellate cases from surrounding counties, creating a regional office. Our long term goals include utilizing members of the bar in pro bono capacities and providing mentoring and supervision for those attorneys who wish to help but do not have appellate experience.

Applications are being accepted for internship positions from second and third year law students with a genuine interest in representing indigent defendants on appeal. Interns will be given a number of different assignments which may include reviewing records, legal research and writing, and opportunities for client contact and to attend oral argument at the Fourth Court of Appeals and the Court of Criminal Appeals. We are a small, friendly and informal office, and make every effort to ensure that our interns have a varied and interesting experience, in return for which we expect a high level of professionalism. A **minimum commitment of 15-20 hours per week** will be required. Whenever possible we will assign at least one piece of work which can be used as a future writing sample. We welcome applicants of any race, religion, color, age, sex, national origin, ancestry, political belief or disability. All candidates will be required to attend a short interview at our office.

If you are interested please send a cover letter, your resume and a writing sample to:

STATE BAR OF TEXAS INSURANCE TRUST OFFERS TERM LIFE INSURANCE PLAN

The **State Bar of Texas Insurance Trust** is pleased to announce the implementation of a new Guaranteed Issue Student Group Term Life Insurance plan for all law students of record at Texas law schools effective January 1, 2009. The **availability** for this product will be the first day of classes second semester. The coverage is guaranteed issue only if the student enrolls in the plan within 90 days of the first day of classes second semester using the appropriate form provided to the school (attached). It should be noted that students not enrolling within the 90 day special enrollment period are still eligible to apply for coverage at a later date, however, approval will then be subject to evidence of insurability.

FALL ON-CAMPUS INTERVIEWING – NEW EARLIER DATES!
ALL CURRENT STUDENTS PLEASE PAY ATTENTION TO THIS INFORMATION
(EVEN YOU CURRENT 3L'S AS THERE WILL BE OPPORTUNITIES FOR RECENT GRADS)

The **earlier dates for Fall 2009 On-Campus Interviewing (OCI)** are being driven by employers who want earlier consideration of students. Four other Texas schools will have already started their OCI the previous week. So...if you are going to **remain competitive**, particularly in this tight economy, you will have to jump in early. Together, we can make this work! All students: **Mark your calendars** with the dates for Fall On-Campus Interviewing:

* **July 1:** participating employers should be set.

* Starting **July 1** you may submit your materials to the box outside of Career Services or you may email them to Alicia Mendoza, amendozal@stmarytx.edu and she will email you an acknowledgment of receipt and ask for you to complete and return an attached Resume Transmittal form (RTF). Once she has received the completed RTF, she will submit your documents for you. Make sure you send to her EVERYTHING each employer is requesting.

* **August 10** is the firm deadline to submit via email. If you do not get an acknowledgment on or by that date then you may contact the Career Services Office at 210.436.3511. You may need to submit hard copies.

* **Noon, August 12** is the firm deadline to submit hard copies if you did not submit them by email. You may mail hard copies to us and we will put the items in the bins for you but we must

have RECEIVED them by August 11 in order to make this August 12th deadline.

* School will start on **August 24**.

* On-Campus Interviewing will occur **August 25-September 11**

1L/2L/3L EVENING SPECIAL PROGRAMMING

Please know that because the dates of **Fall On-Campus Interviewing (OCI)** have been moved earlier in the year, the Office of Career Services will be putting on special resume writing workshops and sessions on how to participate in OCI during the Spring and Summer. It is critical that you, regardless of where you rank in your class, attend these so you don't miss deadlines and you know how to participate. **Interviews will start** the second day after your return to school in the Fall. You need to be ready to go, so please invest some time this Spring to insure that you have a great time in the Fall interviewing. Due to the **submission deadline occurring during the Summer**, you may want to attend one of the upcoming Everything You Want To Know About On-Campus Interviewing sessions, even if you have attended one in the past. Submission options will vary from the past this year.

And remember, **OCI is not just for the top students**. Last Fall, 64% of the OCI employers asked for no rank or a rank of Top 30% or Top 50%. Did you know that 92% of all the 142 students (who had ranks ranging from the Top 1% to the Top 93%) who submitted resumes for OCI were granted at least 1 interview? Yes, even the person in the Top 93% got an interview. So don't count yourself out of this opportunity to conveniently interview with employers.

INTERNSHIP POSITIONS

As part of a new internship program, developed in conjunction with St. Mary's University School of Law, the **Bexar County Appellate Public Defender's Office** is looking for interns for the Spring and Summer semesters. There will be internship positions available each semester.

The Bexar County Appellate Public Defender's Office started work in August 2005 and is funded through the Texas Taskforce on Indigent Defense. Its mission is to provide zealous representation for indigent appellants convicted of criminal acts by ensuring them consistent, accountable, highly qualified professional representation throughout the appellate process.

The office is staffed by four attorneys, all of whom carry a full caseload, and an office assistant. The assigned cases include death penalty and non-capital life sentence cases. It is hoped to expand the activities of the office to include appellate cases from surrounding counties, creating a regional office. Our long term goals include utilizing members of the bar in pro bono capacities and providing mentoring and supervision for those attorneys who wish to help but do not have appellate experience.

Applications are being accepted for internship positions from second and third year law students with a genuine interest in representing indigent defendants on appeal. Interns will be given a number of different assignments which may include reviewing records, legal research and writing, and opportunities for client contact and to attend oral argument at the Fourth Court of Appeals and the Court of Criminal Appeals. We are a small, friendly and informal office, and make every effort to ensure that our interns have a varied and interesting experience, in return for which we expect a high level of professionalism. A **minimum commitment of 15-20 hours per week** will be required. Whenever possible we will assign at least one piece of work which can be used as a future writing

sample. We welcome applicants of any race, religion, color, age, sex, national origin, ancestry, political belief or disability. All candidates will be required to attend a short interview at our office.

If you are interested please send a cover letter, your resume and a writing sample to:

Angela J. Moore, Chief Public Defender, Bexar County Appellate Public Defender's Office,
Suite 214, 410 S. Main Avenue, San Antonio, TX 78204
Phone (210) 335 0701 ■ Fax (210) 335 0707 ■ e-mail: amoore@bexar.org

FALL ON-CAMPUS INTERVIEWING – NEW EARLIER DATES!
ALL CURRENT STUDENTS PLEASE PAY ATTENTION TO THIS INFORMATION
(EVEN YOU CURRENT 3L’S AS THERE WILL BE OPPORTUNITIES FOR RECENT GRADS)

The **earlier dates for Fall 2009 On-Campus Interviewing (OCI)** are being driven by employers who want earlier consideration of students. Four other Texas schools will have already started their OCI the previous week. So...if you are going to **remain competitive**, particularly in this tight economy, you will have to jump in early. Together, we can make this work! All students: **Mark your calendars** with the dates for Fall On-Campus Interviewing:

* **July 1:** participating employers should be set.

* Starting **July 1** you may submit your materials to the box outside of Career Services or you may email them to Alicia Mendoza, amendoza1@stmarytx.edu and she will email you an acknowledgment of receipt and ask for you to complete and return an attached Resume Transmittal form (RTF). Once she has received the completed RTF, she will submit your documents for you. Make sure you send to her EVERYTHING each employer is requesting.

* **August 10** is the firm deadline to submit via email. If you do not get an acknowledgment on or by that date then you may contact the Career Services Office at 210.436.3511. You may need to submit hard copies.

* **Noon, August 12** is the firm deadline to submit hard copies if you did not submit them by email. You may mail hard copies to us and we will put the items in the bins for you but we must have RECEIVED them by August 11 in order to make this August 12th deadline.

* School will start on **August 24**.

* On-Campus Interviewing will occur **August 25-September 11**

1L/2L/3L EVENING SPECIAL PROGRAMMING

Please know that because the dates of **Fall On-Campus Interviewing (OCI)** have been moved earlier in the year, the Office of Career Services will be putting on special resume writing workshops and sessions on how to participate in OCI during the Spring and Summer. It is critical that you, regardless of where you rank in your class, attend these so you don't miss deadlines and you know how to participate. **Interviews will start** the second day after your return to school in the Fall. You need to be ready to go, so please invest some time this Spring to insure that you have a great time in the Fall interviewing. Due to the **submission deadline occurring during the Summer**, you may want to attend one of the upcoming Everything You Want To Know About On-Campus Interviewing sessions, even if you have attended one in the past. Submission options will vary from the past this year.

And remember, **OCI is not just for the top students**. Last Fall, 64% of the OCI employers asked for no rank or a rank of Top 30% or Top 50%. Did you know that 92% of all the 142 students (who had ranks ranging from the Top 1% to the Top 93%) who submitted resumes for OCI were granted at least 1 interview? Yes, even the person in the Top 93% got an interview. So don't count yourself out of this opportunity to conveniently interview with employers.

COURT OF CRIMINAL APPEALS INTERNSHIP

A **summer internship** with the Staff Attorneys' Office at the **Court of Criminal Appeals** in Austin, Texas is available for a **limited number of students** during the summer of 2008. Students who are selected for the program will work under the supervision of staff attorneys on criminal appeals, petitions for discretionary review and habeas corpus petitions. **Those interested in applying** should send a resume and a cover letter to **Professor Schmolesky** in **Room 224** of the **Law Faculty Building**. In the letter please indicate if you have any preference for first or second summer session. Students will receive 2 pass/fail credits upon successful completion of the program that requires a minimum of 120 hours of work. Students will receive credit as if for a course offered on the home campus rather than transient credit and accepted students will be required to pay tuition to the law school for their participation in the program. Preference will be given to students who have completed 2 years of law school, but students who have completed their first year may apply. The **deadline** for applications is **12:00 noon on Wednesday, April 1, 2009**. Students who have previously expressed an interest in this program should reaffirm their interest by contacting Professor Schmolesky in writing.

INTERNSHIP POSITIONS

As part of a new internship program, developed in conjunction with St. Mary's University School of Law, the **Bexar County Appellate Public Defender's Office** is looking for interns for the Spring and Summer semesters. There will be internship positions available each semester.

The Bexar County Appellate Public Defender's Office started work in August 2005 and is funded through the Texas Taskforce on Indigent Defense. Its mission is to provide zealous representation for indigent appellants convicted of criminal acts by ensuring them consistent, accountable, highly qualified professional representation throughout the appellate process.

The office is staffed by four attorneys, all of whom carry a full caseload, and an office assistant. The assigned cases include death penalty and non-capital life sentence cases. It is hoped to expand the activities of the office to include appellate cases from surrounding counties, creating a regional office. Our long term goals include utilizing members of the bar in pro bono capacities and providing mentoring and supervision for those attorneys who wish to help but do not have appellate experience.

Applications are being accepted for internship positions from second and third year law students with a genuine interest in representing indigent defendants on appeal. Interns will be given a number of different assignments which may include reviewing records, legal research and writing, and opportunities for client contact and to attend oral argument at the Fourth Court of Appeals and the Court of Criminal Appeals. We are a small, friendly and informal office, and make every effort to ensure that our interns have a varied and interesting experience, in return for which we expect a high level of professionalism. A **minimum commitment of 15-20 hours per week** will be required. Whenever possible we will assign at least one piece of work which can be used as a future writing

sample. We welcome applicants of any race, religion, color, age, sex, national origin, ancestry, political belief or disability. All candidates will be required to attend a short interview at our office.

If you are interested please send a cover letter, your resume and a writing sample to:

Angela J. Moore, Chief Public Defender, Bexar County Appellate Public Defender's Office,
Suite 214, 410 S. Main Avenue, San Antonio, TX 78204
Phone (210) 335 0701 ■ Fax (210) 335 0707 ■ e-mail: amoore@bexar.org

For questions or more information, email amoore@bexar.org or you may contact Professor Schmolesky at (210) 431-2275 or jschmolesky@stmarytx.edu.

Milestone Potranco Development, Ltd. v. City of San Antonio – No. 04-07-00479-CV

This appeal arises from a declaratory judgment in favor of appellee. The sole issue on appeal is whether the City of San Antonio has the authority to enforce its Tree Preservation Ordinance and Streetscape Planting Standards on appellant's property that is located outside the boundaries of the City of San Antonio but within its extraterritorial jurisdiction. On appeal, appellant argues the statutes relied on by the City for authority to enforce the Tree Preservation Ordinance and Streetscape Planting Standards do not expressly authorize such regulation.

Perkins v. City of San Antonio - No. 04-08-00341-CV

On December 10, 2007, the Dangerous Structure Determination Board of the City of San Antonio ordered Seymour G. Perkins to demolish the main structure (a house) located at 600 Hackberry Street because the Board determined that the house was a public nuisance in need of abatement. Perkins filed a petition in district court requesting injunctive relief which the trial court construed as a request for judicial review of the Board's order. The primary complaints raised by Perkins are: (1) the trial court deprived him of his right to present evidence at the hearing conducted by the trial court contrary to the substantial evidence rule and in violation of his due process rights; (2) the Board's order is void on its face; (3) the trial court's hearing was held without proper notice; (4) the trial court's failure to properly review the record deprived Perkins of his due process rights; (5) Perkins was denied due process by the Board's failure to appoint him an attorney or, at least, advise him of his right to an attorney; (6) the trial court's bias deprived him of due process; and (7) the Board's order is no longer effective.

FALL ON-CAMPUS INTERVIEWING – NEW EARLIER DATES! ALL CURRENT STUDENTS PLEASE PAY ATTENTION TO THIS INFORMATION (EVEN YOU CURRENT 3L'S AS THERE WILL BE OPPORTUNITIES FOR RECENT GRADS)

The **earlier dates for Fall 2009 On-Campus Interviewing (OCI)** are being driven by employers who want earlier consideration of students. Four other Texas schools will have already started their OCI the previous week. So...if you are going to **remain competitive**, particularly in this tight economy, you will have to jump in early. Together, we can make this work! All students: **Mark your calendars** with the dates for Fall On-Campus Interviewing:

* **July 1:** participating employers should be set.

* Starting **July 1** you may submit your materials to the box outside of Career Services or you may email them to Alicia Mendoza, amendoza1@stmarytx.edu and she will email you an acknowledgment of receipt and ask for you to complete and return an attached Resume

Transmittal form (RTF). Once she has received the completed RTF, she will submit your documents for you. Make sure you send to her EVERYTHING each employer is requesting.

* **August 10** is the firm deadline to submit via email. If you do not get an acknowledgment on or by that date then you may contact the Career Services Office at 210.436.3511. You may need to submit hard copies.

* **Noon, August 12** is the firm deadline to submit hard copies if you did not submit them by email. You may mail hard copies to us and we will put the items in the bins for you but we must have RECEIVED them by August 11 in order to make this August 12th deadline.

* School will start on **August 24**.

* On-Campus Interviewing will occur **August 25-September 11**.

1L/2L/3L EVENING SPECIAL PROGRAMMING

Please know that because the dates of **Fall On-Campus Interviewing (OCI)** have been moved earlier in the year, the Office of Career Services will be putting on special resume writing workshops and sessions on how to participate in OCI during the Spring and Summer. It is critical that you, regardless of where you rank in your class, attend these so you don't miss deadlines and you know how to participate. **Interviews will start** the second day after your return to school in the Fall. You need to be ready to go, so please invest some time this Spring to insure that you have a great time in the Fall interviewing. Due to the **submission deadline occurring during the Summer**, you may want to attend one of the upcoming Everything You Want To Know About On-Campus Interviewing sessions, even if you have attended one in the past. Submission options will vary from the past this year.

And remember, **OCI is not just for the top students**. Last Fall, 64% of the OCI employers asked for no rank or a rank of Top 30% or Top 50%. Did you know that 92% of all the 142 students (who had ranks ranging from the Top 1% to the Top 93%) who submitted resumes for OCI were granted at least 1 interview? Yes, even the person in the Top 93% got an interview. So don't count yourself out of this opportunity to conveniently interview with employers.

INTERNSHIP POSITIONS

As part of a new internship program, developed in conjunction with St. Mary's University School of Law, the **Bexar County Appellate Public Defender's Office** is looking for interns for the Spring and Summer semesters. There will be internship positions available each semester.

The Bexar County Appellate Public Defender's Office started work in August 2005 and is funded through the Texas Taskforce on Indigent Defense. Its mission is to provide zealous representation for indigent appellants convicted of criminal acts by ensuring them consistent, accountable, highly qualified professional representation throughout the appellate process.

The office is staffed by four attorneys, all of whom carry a full caseload, and an office assistant. The assigned cases include death penalty and non-capital life sentence cases. It is hoped to expand the activities of the office to include appellate cases from surrounding counties, creating a regional office. Our long term goals include utilizing members of the bar in pro bono capacities and providing mentoring and supervision for those attorneys who wish to help but do not have appellate experience.

Applications are being accepted for internship positions from second and third year law students with a genuine interest in representing indigent defendants on appeal. Interns will be given a number of different assignments which may include reviewing records, legal research and writing, and opportunities for client contact and to attend oral argument at the Fourth Court of Appeals and the Court of Criminal Appeals. We are a small, friendly and informal office, and

make every effort to ensure that our interns have a varied and interesting experience, in return for which we expect a high level of professionalism. A **minimum commitment of 15-20 hours per week** will be required. Whenever possible we will assign at least one piece of work which can be used as a future writing sample. We welcome applicants of any race, religion, color, age, sex, national origin, ancestry, political belief or disability. All candidates will be required to attend a short interview at our office.

If you are interested please send a cover letter, your resume and a writing sample to:

Angela J. Moore, Chief Public Defender, Bexar County Appellate Public Defender's Office,
Suite 214, 410 S. Main Avenue, San Antonio, TX 78204

Milestone Potranco Development, Ltd. v. City of San Antonio – No. 04-07-00479-CV

This appeal arises from a declaratory judgment in favor of appellee. The sole issue on appeal is whether the City of San Antonio has the authority to enforce its Tree Preservation Ordinance and Streetscape Planting Standards on appellant's property that is located outside the boundaries of the City of San Antonio but within its extraterritorial jurisdiction. On appeal, appellant argues the statutes relied on by the City for authority to enforce the Tree Preservation Ordinance and Streetscape Planting Standards do not expressly authorize such regulation.

Perkins v. City of San Antonio - No. 04-08-00341-CV

On December 10, 2007, the Dangerous Structure Determination Board of the City of San Antonio ordered Seymour G. Perkins to demolish the main structure (a house) located at 600 Hackberry Street because the Board determined that the house was a public nuisance in need of abatement. Perkins filed a petition in district court requesting injunctive relief which the trial court construed as a request for judicial review of the Board’s order. The primary complaints

raised by Perkins are: (1) the trial court deprived him of his right to present evidence at the hearing conducted by the trial court contrary to the substantial evidence rule and in violation of his due process rights; (2) the Board's order is void on its face; (3) the trial court's hearing was held without proper notice; (4) the trial court's failure to properly review the record deprived Perkins of his due process rights; (5) Perkins was denied due process by the Board's failure to appoint him an attorney or, at least, advise him of his right to an attorney; (6) the trial court's bias deprived him of due process; and (7) the Board's order is no longer effective.

FALL ON-CAMPUS INTERVIEWING – NEW EARLIER DATES! ALL CURRENT STUDENTS PLEASE PAY ATTENTION TO THIS INFORMATION (EVEN YOU CURRENT 3L'S AS THERE WILL BE OPPORTUNITIES FOR RECENT GRADS)

The **earlier dates for Fall 2009 On-Campus Interviewing (OCI)** are being driven by employers who want earlier consideration of students. Four other Texas schools will have already started their OCI the previous week. So...if you are going to **remain competitive**, particularly in this tight economy, you will have to jump in early. Together, we can make this work! All students: **Mark your calendars** with the dates for Fall On-Campus Interviewing:

* **July 1:** participating employers should be set.

* Starting **July 1** you may submit your materials to the box outside of Career Services or you may email them to Alicia Mendoza, amendoza1@stmarytx.edu and she will email you an acknowledgment of receipt and ask for you to complete and return an attached Resume

Transmittal form (RTF). Once she has received the completed RTF, she will submit your documents for you. Make sure you send to her EVERYTHING each employer is requesting.

* **August 10** is the firm deadline to submit via email. If you do not get an acknowledgment on or by that date then you may contact the Career Services Office at 210.436.3511. You may need to submit hard copies.

* **Noon, August 12** is the firm deadline to submit hard copies if you did not submit them by email. You may mail hard copies to us and we will put the items in the bins for you but we must have RECEIVED them by August 11 in order to make this August 12th deadline.

* School will start on **August 24**.

* On-Campus Interviewing will occur **August 25-September 11**.

1L/2L/3L EVENING SPECIAL PROGRAMMING

Please know that because the dates of **Fall On-Campus Interviewing (OCI)** have been moved earlier in the year, the Office of Career Services will be putting on special resume writing workshops and sessions on how to participate in OCI during the Spring and Summer. It is critical that you, regardless of where you rank in your class, attend these so you don't miss deadlines and you know how to participate. **Interviews will start** the second day after your return to school in the Fall. You need to be ready to go, so please invest some time this Spring to insure that you have a great time in the Fall interviewing. Due to the **submission deadline occurring during the Summer**, you may want to attend one of the upcoming Everything You Want To Know About On-Campus Interviewing sessions, even if you have attended one in the past. Submission options will vary from the past this year.

And remember, **OCI is not just for the top students**. Last Fall, 64% of the OCI employers asked for no rank or a rank of Top 30% or Top 50%. Did you know that 92% of all the 142 students (who had ranks ranging from the Top 1% to the Top 93%) who submitted resumes for OCI were granted at least 1 interview? Yes, even the person in the Top 93% got an interview. So don't count yourself out of this opportunity to conveniently interview with employers.

INTERNSHIP POSITIONS

As part of a new internship program, developed in conjunction with St. Mary's University School of Law, the **Bexar County Appellate Public Defender's Office** is looking for interns for the Spring and Summer semesters. There will be internship positions available each semester.

The Bexar County Appellate Public Defender's Office started work in August 2005 and is funded through the Texas Taskforce on Indigent Defense. Its mission is to provide zealous representation for indigent appellants convicted of criminal acts by ensuring them consistent, accountable, highly qualified professional representation throughout the appellate process.

The office is staffed by four attorneys, all of whom carry a full caseload, and an office assistant. The assigned cases include death penalty and non-capital life sentence cases. It is hoped to expand the activities of the office to include appellate cases from surrounding counties, creating a regional office. Our long term goals include utilizing members of the bar in pro bono capacities and providing mentoring and supervision for those attorneys who wish to help but do not have appellate experience.

Applications are being accepted for internship positions from second and third year law students with a genuine interest in representing indigent defendants on appeal. Interns will be given a number of different assignments which may include reviewing records, legal research and writing, and opportunities for client contact and to attend oral argument at the Fourth Court of Appeals and the Court of Criminal Appeals. We are a small, friendly and informal office, and

make every effort to ensure that our interns have a varied and interesting experience, in return for which we expect a high level of professionalism. A **minimum commitment of 15-20 hours per week** will be required. Whenever possible we will assign at least one piece of work which can be used as a future writing sample. We welcome applicants of any race, religion, color, age, sex, national origin, ancestry, political belief or disability. All candidates will be required to attend a short interview at our office.

If you are interested please send a cover letter, your resume and a writing sample to:

Angela J. Moore, Chief Public Defender, Bexar County Appellate Public Defender's Office,
Suite 214, 410 S. Main Avenue, San Antonio, TX 78204
Phone (210) 335 0701 ■ Fax (210) 335 0707 ■ e-mail: amoore@bexar.org

MOOT COURT TEAM WINS!

This past weekend **two moot court teams** from St. Mary's competed in the **American Bar Association National Appellate Advocacy Competition Regional Tournament**, at St. Louis. The ABA NAAC Tournament is the largest and arguably the **most prestigious national moot court competition** in the country, with nearly 200 teams from law schools in practically every state competing for the right to qualify for the National Finals in Chicago, Illinois.

The two teams from St. Mary's were comprised of the following students: Team "A" : **Emily Jeffcott** (3L), **Carolyn Skogman** (2L) and **Sarah Blackstone** (2L) and Team "B": **Marion Reilly** (2L), **Lindsey Medenwaldt** (2L) and **Uzma Zafarullah** (2L). This year, *both* St. Mary's Teams were 2-0 following the first two preliminary rounds — a feat accomplished by only one other school at the St. Louis Regional. The team of *Reilly, Medenwaldt and Zafarullah* reached the *semi-finals* of the tournament, and *Marion Reilly's brief* was recognized as the *Third Best Brief* at the competition. **The team of Jeffcott, Skogman and Blackstone won their semi-final and final rounds, and were named Regional Champions**, qualifying St. Mary's University School of Law for the National Finals in April. Emily **Jeffcott** was individually recognized as one of the *ten best advocates* at the competition, besting some 75 participants along the way. It should also be noted the winning St. Mary's team *did not drop a single round* in its quest for the championship, and that Emily *Jeffcott* was recognized as the *best oral advocate in both the semi-final and final rounds*.

This marks St. Mary's sixth Regional Championship in the last eight years of participation at this prestigious tournament. **Please join us in congratulating the teams, their coach, Mr. Ricky Poole, and his assistant coaches.** We wish them the best at the National Finals in Chicago!

Department of Criminal Justice and currently has over 200 volunteers involved in 24 prisons across the state of Texas. If you would like to be a **volunteer facilitator** for a 14-week project this summer or next fall, please attend this training. Food will be provided. **FALL ON-CAMPUS INTERVIEWING – NEW EARLIER DATES!
ALL CURRENT STUDENTS PLEASE PAY ATTENTION TO THIS INFORMATION
(EVEN YOU CURRENT 3L'S AS THERE WILL BE
OPPORTUNITIES FOR RECENT GRADS)**

The **earlier dates for Fall 2009 On-Campus Interviewing (OCI)** are being driven by employers who want earlier consideration of students. Four other Texas schools will have

already started their OCI the previous week. So...if you are going to **remain competitive**, particularly in this tight economy, you will have to jump in early. Together, we can make this work! All students: **Mark your calendars** with the dates for Fall On-Campus Interviewing:

* **July 1:** participating employers should be set.

* Starting **July 1** you may submit your materials to the box outside of Career Services or you may email them to Alicia Mendoza, amendozal@stmarytx.edu and she will email you an acknowledgment of receipt and ask for you to complete and return an attached Resume Transmittal form (RTF). Once she has received the completed RTF, she will submit your documents for you. Make sure you send to her EVERYTHING each employer is requesting.

* **August 10** is the firm deadline to submit via email. If you do not get an acknowledgment on or by that date then you may contact the Career Services Office at 210.436.3511. You may need to submit hard copies.

* **Noon, August 12** is the firm deadline to submit hard copies if you did not submit them by email. You may mail hard copies to us and we will put the items in the bins for you but we must have RECEIVED them by August 11 in order to make this August 12th deadline.

* School will start on **August 24**.

* On-Campus Interviewing will occur **August 25-September 11**.

1L/2L/3L EVENING SPECIAL PROGRAMMING

Please know that because the dates of **Fall On-Campus Interviewing (OCI)** have been moved earlier in the year, the Office of Career Services will be putting on special resume writing workshops and sessions on how to participate in OCI during the Spring and Summer. It is critical that you, regardless of where you rank in your class, attend these so you don't miss deadlines and you know how to participate. **Interviews will start** the second day after your return to school in the Fall. You need to be ready to go, so please invest some time this Spring to insure that you have a great time in the Fall interviewing. Due to the **submission deadline occurring during the Summer**, you may want to attend one of the upcoming Everything You Want To Know About On-Campus Interviewing sessions, even if you have attended one in the past. Submission options will vary from the past this year.

And remember, **OCI is not just for the top students**. Last Fall, 64% of the OCI employers asked for no rank or a rank of Top 30% or Top 50%. Did you know that 92% of all the 142 students (who had ranks ranging from the Top 1% to the Top 93%) who submitted resumes for OCI were granted at least 1 interview? Yes, even the person in the Top 93% got an interview. So don't count yourself out of this opportunity to conveniently interview with employers.

INTERNSHIP POSITIONS

As part of a new internship program, developed in conjunction with St. Mary's University School of Law, the **Bexar County Appellate Public Defender's Office** is looking for interns for the Spring and Summer semesters. There will be internship positions available each semester.

The Bexar County Appellate Public Defender's Office started work in August 2005 and is funded through the Texas Taskforce on Indigent Defense. Its mission is to provide zealous representation for indigent appellants convicted of criminal acts by ensuring them consistent, accountable, highly qualified professional representation throughout the appellate process.

The office is staffed by four attorneys, all of whom carry a full caseload, and an office assistant. The assigned cases include death penalty and non-capital life sentence cases. It is hoped to expand the activities of the office to include appellate cases from surrounding counties, creating a regional office. Our long term goals include utilizing members of the bar in pro bono

capacities and providing mentoring and supervision for those attorneys who wish to help but do not have appellate experience.

Applications are being accepted for internship positions from second and third year law students with a genuine interest in representing indigent defendants on appeal. Interns will be given a number of different assignments which may include reviewing records, legal research and writing, and opportunities for client contact and to attend oral argument at the Fourth Court of Appeals and the Court of Criminal Appeals. We are a small, friendly and informal office, and make every effort to ensure that our interns have a varied and interesting experience, in return for which we expect a high level of professionalism. A **minimum commitment of 15-20 hours per week** will be required. Whenever possible we will assign at least one piece of work which can be used as a future writing sample. We welcome applicants of any race, religion, color, age, sex, national origin, ancestry, political belief or disability. All candidates will be required to attend a short interview at our office.

If you are interested please send a cover letter, your resume and a writing sample to:

Angela J. Moore, Chief Public Defender, Bexar County Appellate Public Defender's Office,
Suite 214, 410 S. Main Avenue, San Antonio, TX 78204

FALL ON-CAMPUS INTERVIEWING – NEW EARLIER DATES! ALL CURRENT STUDENTS PLEASE PAY ATTENTION TO THIS INFORMATION (EVEN YOU CURRENT 3L'S AS THERE WILL BE OPPORTUNITIES FOR RECENT GRADS)

The **earlier dates for Fall 2009 On-Campus Interviewing (OCI)** are being driven by employers who want earlier consideration of students. Four other Texas schools will have already started their OCI the previous week. So...if you are going to **remain competitive**, particularly in this tight economy, you will have to jump in early. Together, we can make this work! All students: **Mark your calendars** with the dates for Fall On-Campus Interviewing:

* **July 1:** participating employers should be set.

* Starting **July 1** you may submit your materials to the box outside of Career Services or you may email them to Alicia Mendoza, amendoza1@stmarytx.edu and she will email you an

acknowledgment of receipt and ask for you to complete and return an attached Resume Transmittal form (RTF). Once she has received the completed RTF, she will submit your documents for you. Make sure you send to her EVERYTHING each employer is requesting.

* **August 10** is the firm deadline to submit via email. If you do not get an acknowledgment on or by that date then you may contact the Career Services Office at 210.436.3511. You may need to submit hard copies.

* **Noon, August 12** is the firm deadline to submit hard copies if you did not submit them by email. You may mail hard copies to us and we will put the items in the bins for you but we must have RECEIVED them by August 11 in order to make this August 12th deadline.

* School will start on **August 24**.

* On-Campus Interviewing will occur **August 25-September 11**.

1L/2L/3L EVENING SPECIAL PROGRAMMING

Please know that because the dates of **Fall On-Campus Interviewing (OCI)** have been moved earlier in the year, the Office of Career Services will be putting on special resume writing workshops and sessions on how to participate in OCI during the Spring and Summer. It is critical that you, regardless of where you rank in your class, attend these so you don't miss deadlines and you know how to participate. **Interviews will start** the second day after your return to school in the Fall. You need to be ready to go, so please invest some time this Spring to insure that you have a great time in the Fall interviewing. Due to the **submission deadline occurring during the Summer**, you may want to attend one of the upcoming Everything You Want To Know About On-Campus Interviewing sessions, even if you have attended one in the past. Submission options will vary from the past this year.

And remember, **OCI is not just for the top students**. Last Fall, 64% of the OCI employers asked for no rank or a rank of Top 30% or Top 50%. Did you know that 92% of all the 142 students (who had ranks ranging from the Top 1% to the Top 93%) who submitted resumes for OCI were granted at least 1 interview? Yes, even the person in the Top 93% got an interview. So don't count yourself out of this opportunity to conveniently interview with employers.

INTERNSHIP POSITIONS

As part of a new internship program, developed in conjunction with St. Mary's University School of Law, the **Bexar County Appellate Public Defender's Office** is looking for interns for the Spring and Summer semesters. There will be internship positions available each semester.

The Bexar County Appellate Public Defender's Office started work in August 2005 and is funded through the Texas Taskforce on Indigent Defense. Its mission is to provide zealous representation for indigent appellants convicted of criminal acts by ensuring them consistent, accountable, highly qualified professional representation throughout the appellate process.

The office is staffed by four attorneys, all of whom carry a full caseload, and an office assistant. The assigned cases include death penalty and non-capital life sentence cases. It is hoped to expand the activities of the office to include appellate cases from surrounding counties, creating a regional office. Our long term goals include utilizing members of the bar in pro bono capacities and providing mentoring and supervision for those attorneys who wish to help but do not have appellate experience.

Applications are being accepted for internship positions from second and third year law students with a genuine interest in representing indigent defendants on appeal. Interns will be given a number of different assignments which may include reviewing records, legal research and writing, and opportunities for client contact and to attend oral argument at the Fourth Court of Appeals and the Court of Criminal Appeals. We are a small, friendly and informal office, and make every effort to ensure that our interns have a varied and interesting experience, in return for which we expect a high level of professionalism. A **minimum commitment of 15-20 hours per week** will be required. Whenever possible we will assign at least one piece of work which can be used as a future writing sample. We welcome applicants of any race, religion, color, age, sex,

national origin, ancestry, political belief or disability. All candidates will be required to attend a short interview at our office.

If you are interested please send a cover letter, your resume and a writing sample to:

Angela J. Moore, Chief Public Defender, Bexar County Appellate Public Defender's Office,
Suite 214, 410 S. Main Avenue, San Antonio, TX 78204

FALL ON-CAMPUS INTERVIEWING – NEW EARLIER DATES!

ALL CURRENT STUDENTS PLEASE PAY ATTENTION TO THIS INFORMATION (EVEN YOU CURRENT 3L'S AS THERE WILL BE OPPORTUNITIES FOR RECENT GRADS)

The **earlier dates for Fall 2009 On-Campus Interviewing (OCI)** are being driven by employers who want earlier consideration of students. Four other Texas schools will have already started their OCI the previous week. So...if you are going to **remain competitive**, particularly in this tight economy, you will have to jump in early. Together, we can make this work! All students: **Mark your calendars** with the dates for Fall On-Campus Interviewing:

* **July 1:** participating employers should be set.

* Starting **July 1** you may submit your materials to the box outside of Career Services or you may email them to Alicia Mendoza, amendozal@stmarytx.edu and she will email you an acknowledgment of receipt and ask for you to complete and return an attached Resume Transmittal form (RTF). Once she has received the completed RTF, she will submit your documents for you. Make sure you send to her EVERYTHING each employer is requesting.

* **August 10** is the firm deadline to submit via email. If you do not get an acknowledgment on or by that date then you may contact the Career Services Office at 210.436.3511. You may need to submit hard copies.

* **Noon, August 12** is the firm deadline to submit hard copies if you did not submit them by email. You may mail hard copies to us and we will put the items in the bins for you but we must have RECEIVED them by August 11 in order to make this August 12th deadline.

* School will start on **August 24**.

* On-Campus Interviewing will occur **August 25-September 11**.

1L/2L/3L EVENING SPECIAL PROGRAMMING

Please know that because the dates of **Fall On-Campus Interviewing (OCI)** have been moved earlier in the year, the Office of Career Services will be putting on special resume writing workshops and sessions on how to participate in OCI during the Spring and Summer. It is critical that you, regardless of where you rank in your class, attend these so you don't miss deadlines and you know how to participate. **Interviews will start** the second day after your return to school in the Fall. You need to be ready to go, so please invest some time this Spring to insure that you have a great time in the Fall interviewing. Due to the **submission deadline occurring during the Summer**, you may want to attend one of the upcoming Everything You Want To Know About On-Campus Interviewing sessions, even if you have attended one in the past. Submission options will vary from the past this year.

And remember, **OCI is not just for the top students**. Last Fall, 64% of the OCI employers asked for no rank or a rank of Top 30% or Top 50%. Did you know that 92% of all the 142 students (who had ranks ranging from the Top 1% to the Top 93%) who submitted resumes for OCI were granted at least 1 interview? Yes, even the person in the Top 93% got an interview. So don't count yourself out of this opportunity to conveniently interview with employers.

INTERNSHIP POSITIONS

As part of a new internship program, developed in conjunction with St. Mary's University School of Law, the **Bexar County Appellate Public Defender's Office** is looking for interns for the Spring and Summer semesters. There will be internship positions available each semester.

The Bexar County Appellate Public Defender's Office started work in August 2005 and is funded through the Texas Taskforce on Indigent Defense. Its mission is to provide zealous representation for indigent appellants convicted of criminal acts by ensuring them consistent, accountable, highly qualified professional representation throughout the appellate process.

The office is staffed by four attorneys, all of whom carry a full caseload, and an office assistant. The assigned cases include death penalty and non-capital life sentence cases. It is hoped to expand the activities of the office to include appellate cases from surrounding counties, creating a regional office. Our long term goals include utilizing members of the bar in pro bono capacities and providing mentoring and supervision for those attorneys who wish to help but do not have appellate experience.

Applications are being accepted for internship positions from second and third year law students with a genuine interest in representing indigent defendants on appeal. Interns will be given a number of different assignments which may include reviewing records, legal research and writing, and opportunities for client contact and to attend oral argument at the Fourth Court of Appeals and the Court of Criminal Appeals. We are a small, friendly and informal office, and make every effort to ensure that our interns have a varied and interesting experience, in return for which we expect a high level of professionalism. A **minimum commitment of 15-20 hours per week** will be required. Whenever possible we will assign at least one piece of work which can be used as a future writing sample. We welcome applicants of any race, religion, color, age, sex, national origin, ancestry, political belief or disability. All candidates will be required to attend a short interview at our office.

If you are interested please send a cover letter, your resume and a writing sample to:

Suite 214, 410 S. Main Avenue, San Antonio, TX 78204

Adjunct Professor Ricky Poole has reported that this past week, **Emily Jeffcott (3L)**, **Carolyn Skogman (2L)**, and **Sarah Blackstone (2L)** competed in the American Bar Association's National Appellate Advocacy Competition National Finals, held in Chicago. The team reached the "sweet sixteen" at the competition, breaking into the elimination rounds as the 8th best team in the tournament. As a result of their collective efforts and fresh off of their regional win, **Emily, Carolyn and Sarah brought St. Mary's additional national prestige as one of the Top-12 moot court teams** out of an initial field of nearly 200 teams from more than one hundred law schools located in every region across the United States. Of **special note** are the individual accomplishments of Emily Jeffcott. Besides being the brief writer for the team, Emily was also recognized for her oral advocacy skills. Out of an initial field of more than 400 eligible law students, Emily received the distinction of being the Third Best Advocate in the country! Please join us in recognizing and applauding their success.

**ALL CURRENT STUDENTS PLEASE PAY ATTENTION TO THIS INFORMATION
(EVEN YOU CURRENT 3L'S AS THERE WILL BE OPPORTUNITIES FOR RECENT GRADS)**

1L/2L/3L EVENING SPECIAL PROGRAMMING

Please know that because the dates of **Fall On-Campus Interviewing (OCI)** have been moved earlier in the year, the Office of Career Services will be putting on special resume writing workshops and sessions on how to participate in OCI during the Spring and Summer. It is critical that you, regardless of where you rank in your class, attend these so you don't miss deadlines and you know how to participate. **Interviews will start** the second day after your return to school in the Fall. You need to be ready to go, so please invest some time this Spring to insure that you have a great time in the Fall interviewing. Due to the **submission deadline occurring during the Summer**, you may want to attend one of the upcoming Everything You Want To Know About On-Campus Interviewing sessions, even if you have attended one in the past. Submission options will vary from the past this year.

And remember, **OCI is not just for the top students**. Last Fall, 64% of the OCI employers asked for no rank or a rank of Top 30% or Top 50%. Interns will be given a number of different assignments which may include reviewing records, legal research and writing, and opportunities for client contact and to attend oral argument at the Fourth Court of Appeals and the Court of Criminal Appeals.
