St. Mary's Law Journal Fiftieth Anniversary

Dear Friends:

As a proud alum of St. Mary's Law School, I join in celebrating St. Mary's Law Journal on its fiftieth anniversary.

This important milestone would not have been possible without the hard work of countless law students and contributors. Because of their efforts, the St. Mary's Law Journal is one of the most cited law reviews in the country, and its influence in the legal community has only grown throughout the years. I commend the past and current generations of St. Mary's law students for setting such a high standard of excellence, and I am confident future generations will continue to meet this standard.

Congratulations to the St. Mary's Law Journal on this historic anniversary.

Sincerely,
